

SAVE THE PANDANUS WORKSHOPS

A magnificent coastal icon the Pandanus is under threat.

Unitywater's Community Sponsorship Program funding has enabled Coolum & North Shore Coast Care to work with Kabi Kabi Traditional Owners, Pandanus dieback mitigation expert, Joel Fostin, and historian Dr Ray Kerkhove.

There will be training and awareness workshops along with on-ground works to assist infested Pandanus trees. If you would like to get involved in the community workshop sessions please register for one of two sessions with Eventbrite. Sessions are:

Friday, 26 May at Tickle Park, Coolum

<https://www.eventbrite.com.au/e/save-the-pandanus-coolum-tickets-33881709104>

Saturday, 27 May at Power Memorial Park, Mudjimba

<https://www.eventbrite.com.au/e/save-the-pandanus-mudjimba-tickets-33882087235>

Times: 8:30 to 10:30 AM.

For more information about the project please contact Tony Gibson on MS 0419791860, email tony.gibson@spirit3h.com.au for more information or register on line with Eventbrite.
